29 Jan 2021

From: Keith Shearin, Sr. Vice Commandant DoNC  
To: All Members and Associates of the Department  
**Subject: Spring Membership Meeting 2021**

Ooh Rah Marines and Associates,

I hope all are doing well during these cold days that have invaded the northern border of our state. I am requesting that this question be asked to all members of the Detachment that comprise our Department; "Are you planning on attending the Spring Membership Meeting scheduled for March 12<sup>th</sup> and 13<sup>th</sup> to be hosted by the Tarheel Detachment #733?"

We are not looking for money at this time, but we are trying to be prepared for when Governor Cooper makes his next announcement concern COVID-19 restriction here with our state. Here are some of the information that members may want to know:

Location: Doubletree by Hilton @ 4810 Page Creek Ln, Durham, NC 27703  
Dates of Event: 12 March 2021 – Hospitality Room from 1500 – 2330  
NC Pack Growl (TBA)  
13 March 2021 – Commandant's Meeting @ 0800  
Business Meeting 0900-1200 and 1300- TBD  
Lunch: Catered by Hotel onsite \$ 13.00 + tax per person  
Room Cost: \$ 99.00 + tax per night

Due to the COVID-19 restrictions that have been placed on the businesses and citizens of North Carolina our Department has not been able to gather and discuss business since the Fall Membership Meeting 2019. The concerns and safety of our members are the top priority as we try to negotiate these difficult and frustrating times. We are trying to actively plan to ensure when restrictions are relaxed the Department of North Carolina is prepared to move forward and present the business of the Marine Corps League to the membership. **If you could please send an email let me know of how many from your Detachment will be attending and if they are staying overnight at the hotel. Emails should include your Detachment's name and number.**

If you have any questions or concerns, please contact me at [ketihshearin@yahoo.com](mailto:ketihshearin@yahoo.com) or (919)758-4743. This is not any kind of obligation, but please be truthful and let us know your intentions. The number of Detachment is important to ensure that quorum is met. The number of members staying at the hotel is also important due to the contract signed by the host detachment to avoid penalties. The financial loss would range from \$400 and up. Information concerning room reservation code and registration will be sent out to the membership as soon as we have a better idea of the State Officials.
